Change "Tab" field from "TEST" to "CHANGED" and save

Fig. 9

Template is now in tab "CHANGED"

Template "aaa_test" is currently in tab "CHANGED"

Notice tab "TEST" is no longer available - template "aaa_test" was the only template indexed to "TEST". After the template was re-indexed, there were no templates indexed to "TEST", therefore, tab "TEST" no longer exists and is not listed.
